

AORA South Australia Division Breakfast

Tuesday 16th August 7:00am-9:30am

Theme: New policy initiatives in South Australia creating future business opportunities for organic recyclers

Hear from:

- ♻️ Andrew Hutcheon, Principal Adviser, Industry Sustainability, Green Industries SA on employment impacts of a circular economy for South Australia.
- ♻️ Catherine Way, Industry Development Manager, Renewables SA, Department of Premier & Cabinet on developing commercial bioenergy projects in SA.
- ♻️ Sarah Wigley, Sustainability Advisor, Adelaide City Council on Carbon Neutral Adelaide.
- ♻️ Panel Discussion and audience Q&A.

Get involved in:

- ♻️ Networking in your industry
- ♻️ Learning about industry trends both in SA and Nationally
- ♻️ Contributing to future works and plans in the industry

Who should attend?

Organic Recycling Industry, Local Council, Waste Management Officers, Policy Makers, Asset Managers, Parks and Gardens Managers, Growers and anyone interested in learning more on the circular economy and renewable energy.

Location: The University of Adelaide Club, Level 4, Union House, University of Adelaide, Adelaide SA

Breakfast: Full hot breakfast and pastries with assorted juices & tea/coffee

Cost \$50 for AORA Members and \$75 non-members. Please pay via [PayPal](#) and insert "SA+surname" into the invoice number.
